### Am I Eligible?

Each of our benefit plans has different eligibility requirements. To determine which plans would be part of your “menu” you need to know whether you will be hired as Full-Time (FT), Part-Time Eligible (PTE) or Part-Time Not Eligible (PTN). For purposes of benefits, FT is defined as 40 hours per week, PTE is defined as 24—39 hours per week and PTN is less than 24 hours per week. The matrix above shows the eligibility for benefit coverage.

### May I Enroll My Family?

The Medical, Dental/Vision and Reimbursement plans allow for coverage of your spouse and children. Stepchildren are eligible for coverage in most cases, as are other children who are in your legal custody. There may be additional forms to complete in those cases, so be sure to discuss these special arrangements during your enrollment.

## Benefits Deductions

Deductions from employees' paychecks are shown below. The deductions are taken the first two paychecks every month. There are two months every year where there are three paychecks, and deductions are not taken from those checks.

## Medical Insurance Plans

**High Deductible (HDHP) Health Plans.** This Cypress medical plan is offered to our employees. Eligible employees may enroll within 30 days of employment. Coverage will begin on the first day of the month coinciding with or following your date of hire.

<b>Employees classified as benefit eligible are eligible to accrue PDO hours. Seasonal and casual employees do not accrue PDO hours.</b>

### Flexible Reimbursement Accounts

**Full-Time and Part-Time Eligible** employees may participate in the Medical Reimbursement Account and/or the Dependent Care Account. These accounts are a good tool for significant tax savings. Participants may set aside money on a pre-tax basis for qualifying expenses, and then submit claims for reimbursement. There are no state, federal or social security taxes withheld from the money you contribute to these plans. The maximum annual contribution to the Medical Reimbursement Account is \$2,650 and the maximum annual contribution to the Dependent Care Reimbursement Account is \$5,000. Grace Mayer provides claim processing for this benefit program. You are allowed to carry over \$500 which must be used the following year.

### Short-Term Disability

Employees have the opportunity to protect their earnings in the event of a non-work related illness or injury. Short-term disability coverage will provide an income benefit of up to 66% of weekly earnings if the condition lasts beyond the two-week waiting period. The maximum duration for benefit payments is 11 weeks per incident. All **Full-Time and Part-Time Eligible** employees may enroll at initial benefits enrollment.

### Life Insurance and Long-Term Disability

VNA/ESN pays the entire cost of basic life insurance and long-term disability coverage for **Full-Time** employees. The life insurance we provide is based on the employee's annual salary (\$200,000 maximum). The long-term disability coverage is equal to 2/3 of the employee's base salary with a \$5,000 monthly maximum.

### Supplemental Life Insurance

**Full-Time and Part-Time Eligible** employees may also enroll for supplemental life insurance coverage. Employees may purchase up to \$500,000 in life coverage for themselves and up to \$100,000 in coverage for their spouse. Children may be covered for up to \$10,000.

### Employee Assistance Program

Arbor Family Counseling Associates and Lincoln Financial Group provide VNA/ESN with services for counseling issues. **All Employees** and their immediate family members may access services for assistance with family conflicts, relationship issues, grief, work stress, issues from the past, or concerns about the children. VNA/ESN provides three free sessions to employees and to each of their family members. We believe our employees who use this service find great comfort, new perspectives, tools, and coping skills to navigate life's ups and downs.
