

DELIVERERS

The people of Omaha have always been hungry for quality, expert healthcare delivered with a warm, personal touch. VNA was founded by Anna Millard Rogers in 1896, who wrote the original recipe for in-home care. Her vision to deliver the best service possible to everyone — including the sick, poor, elderly, and new mothers and babies — lives on in every VNA employee today.

THE Hassle

OF ANOTHER Fundraiser!

2019

You're **NOT INVITED**

TO ANOTHER EVENT YOU (SORT OF) DON'T WANT TO ATTEND.

We've cooked up an idea.

Who has time for yet another fundraiser? At VNA, we want you to spend your precious time with your family, and we'll put that big event budget to better use.

Visit VNAtoday.org/takeout to make a donation to #vnaTakeOut.

CONVENIENCE IS OUR MIDDLE NAME

Just kidding – nurse is our middle name! But it might be more convenient for you to stay at home, just like thousands of our clients. Order in, tip your delivery driver, play some board games, eat some ice cream, and send your fancy fundraiser ticket price to us!

“I had my cake and ate it, too.”

Last year I stayed at home and enjoyed a comfortable night in my slippers. Not spending money on renting a tux to eat rubber chicken was the best decision I've made in a while. I just sent all my leftover money to VNA. They leave nothing to waste.”
