

# Continuing to Impact Our Community

125  
YEARS

## Who We Are

In 2021, VNA transitioned our government and commercial insurance-funded home health and hospice programs to Amedisys. Our focus today continues a 125-year legacy — serving marginalized people in Omaha and Council Bluffs who need access to expert and compassionate healthcare and supportive services. With your support, we will strengthen and expand these proven programs:

HOMELESS SHELTER NURSING SERVICES

PARENTING SUPPORT

EASTERSEALS NEBRASKA

HOME HEALTH AIDE, HOME HEALTH & HOSPICE FOR THE UNDER/UNINSURED

PHYSICIAN-ORDERED MOTHER/CHILD SERVICES

FLU AND IMMUNIZATION SERVICES

## How We Operate

### ENDOWMENT FUND

VNA formed an endowment with proceeds from the Amedisys transition. Our endowment functions as its own revenue generator, helping to cover administrative and operational overhead.

### CONTRIBUTING REVENUE

VNA's state-of-the-art infusion pharmacy, immunization clinics, and events, like Art & Soup, generate annual revenue.

a vna nurse in every shelter

## Because of You

Support for VNA and ESN today is more important – and impactful – than ever.

Our programming is driven by the generosity of this community, including fundraising events, grants and the support of donors, to continue providing meaningful care to those who depend on us.

All contributing revenue is reinvested into VNA Programs.

# Clients Served by Donor-Funded Programs in 2020

## Homeless Shelter Nursing Services

Shelter Nursing services place a VNA nurse in every local homeless and domestic violence shelter. When you support these services, you help VNA address the unique needs of unhoused individuals with on-site, high-quality nursing and compassionate connections.

1,642

## Parenting Support

Parenting Support programs offer home visitation for at-risk families with infants and small children. When you support these programs, you help VNA empower families through healthcare and supportive services to overcome real and perceived obstacles.

1,673

## Physician-Ordered Mother/Child Services

Physician-Ordered Mother/Child Services deliver specialized in-home care for mothers and their children. When you support these services, you help VNA form partnerships with local providers and ensure the best and most timely care is provided — positioning families for a lifetime of success.

1,737

## Flu and Immunization Services

In addition to administering annual flu shots, over 65 VNA nurses are partnering with the Douglas County Health Department to give COVID-19 vaccinations. When you support these services, you help VNA provide public health services to people who cannot afford them, and you're part of the pandemic solution.

11,645

898

## Home Health Aide, Home Health & Hospice for the Under/Uninsured

VNA facilitates access to home health and hospice services for those who are uninsured or lack resources. When you support these services, you help eliminate a lengthy, costly hospital stay for patients while providing all the necessary support for peace of mind and quality of life — whether that's on the road to recovery or death with dignity.

18,837

Clients served by donor-funded programs in 2020

## Easterseals Nebraska

Easterseals Nebraska's many programs include a special needs camp, workforce development training, alternative financing, and AgrAbility, which gives guidance to farmers and ranchers with disabilities to create an accessible work environment. When you support these programs, you help Easterseals remove life-altering obstacles in the lives of people with disabilities.

## School Health Program

We contract with various public, private and parochial schools in the metro area. When you support our School Health program, you help VNA create a healthier community.

48 SCHOOLS participated in 2020, serving 20,352 STUDENTS

We go where others won't.  
We serve who others don't.

Join us in ensuring expert and compassionate care, education and individualized services are accessible in our community — no matter one's ability to pay or complexity of care needed.

Contact Carole Patrick, chief philanthropy officer, to discuss how your passion for helping those in need within our community can be realized in partnership with VNA.
